- The proposed motion would approve the amounts requested by the County, as revised in conversations with staff during January-May 2016.
- County Behavioral Health Director Toni Tullys and MHPA Coordinator Jeanne Moral are here today to answer questions Commissioners may have about these projects.

SANTA CLARA COUNTY FY2016 MHSA ANNUAL UPDATE

- The County's MHSA Fiscal Year (FY) 2016 Annual Update Plan is an update to the County's approved FY 2015-2017 MHSA Three-Year Plan adopted by the County Board of Supervisors in October 2014.
- Included updates to all five components of MHSA: CSS, PEI, INN, WET, and CFTN.
- Included a proposal to extend duration/term and increase funding for four INN projects while the Behavioral Health Services Department (BHSD) conducts an analysis of the final evaluation report of each project, determines future plans and the scope of work based on lessons learned, including determining future funding source(s) for each project.
- The INN proposal was supported by stakeholders.

11

MHSA INN PROPOSAL

- In June 2015, BHSD consulted with MHSOAC Staff regarding the County's recommendation to extend the project duration including additional funding for the following INN projects:
 - **Early Childhood Universal Screening Project**
 - **Peer-run Transition Aged Youth (TAY) Inn**
 - **Elders' Storytelling Project**
 - **Transitional Mental Health Services for Newly Released Inmates Project also known as the Faith Based Resource Collaborative Project**
- The recommendation was supported by MHSOAC staff and BHSD proceeded with the County's local review/community planning process for the FY16 MHSA Annual Update as outlined in the next slide.
- Initially, BHSD estimated a completion date of the County's FY16 MHSA Annual Update process by Fall of 2015 but adjusted the timeline in September 2015, at the end of the 30-day public review/comment period of the FY16 MHSA Annual Update Draft (Draft) Plan, to address concerns brought up by the public/stakeholder regarding certain elements of Draft Plan-not related to the INN recommendation.
- The local review/approval process was completed in December 2015. A copy of the approved FY16 MHSA Annual Update along with a letter regarding the County's request was submitted to the MHSOAC soon after Santa Clara County Board of Supervisor's approval/adoption of the County's Plan.
