4. Comments

A RFP for mental health triage services for Eastern and Western Fresno County was released on 1/14/15 and closed on 2/18/15 with no bids received. Due to receiving no bids, Fresno County solicited an experienced provider to negotiate the terms of an Agreement that would address the needs of all parties concerned. The County will meet with this provider on 4/6/15 to finalize negotiations resulting in possible contract execution on 5/19/15. Initially, due to funding limitations, this program was planned to serve only Eastern Fresno County. However, while working with Eastern Fresno County Police Chiefs/ First Responders, the desire and need to serve Western Fresno County was expressed. To that end, Eastern Police Chiefs offered Public Safety Realignment dollars to partially fund like services to Western Fresno County, with Fresno County providing matching funds .
