4. Comments

Due to the extreme shortage of licensed clinicians, TCBHS needed to adjust our strategy by hiring two (2) Rehabilitation Specialists and extended the time of the Peer Specialist to full-time. TCBHS has expanded services to include medication management education of clients for a more comprehensive crisis support service. TCBHS has also adjusted the hours of the Wellness Center to offer more consistent hours of operation and drop-in times. TCBHS continue to offer assistance to the Sheriff, Probation, Emergency Room, Health & Human Services, HRN (Human Response Services), and Behavioral Health Services.
