Annual Mental Health Services Act Revenue and Expenditure Report

This PDF document is a copy of the Annual Revenue and Expenditure Report (ARER) which is submitted by County Mental Health Plans (usually, the County Behavioral Health Department) to the Department of Health Care Services and the MHSOAC. This document is made available to the public through the Fiscal Reporting tool created by the MHSOAC to support fiscal transparency. The Fiscal Reporting tool is based on the data submitted by counties through Annual Revenue and Expenditure Reports.

Annual Revenue and Expenditure Reports can also be downloaded from the <u>DHCS website</u> (http://www.dhcs.ca.gov/services/MH/Pages/Annual-Revenue-and-Expenditure-Reports-by-County.aspx)

The following report provides annual point-in-time estimates (similar to a checkbook balance) of County MHSA revenues received and expended for each component of the MHSA, as well as end of year closing balances. The reports are intended to represent a snapshot of County MHSA financial information as of June 30th, the last day of each fiscal year. Counties emphasize that the ARER reports are difficult to tie to their official, audited financial statements and should be interpreted with caution.

Financial summaries presented in this report are broken down by the following MHSA components:

- Community Services and Supports (CSS)
- Prevention and Early Intervention (PEI)
- Innovation (INN)
- Workforce Education & Training (WET)
- Capital Facility & Technological Needs (CFTN)
- Other MHSA components
