Annual Mental Health Services Act Revenue and Expenditure Report

This PDF document is a copy of the Annual Revenue and Expenditure Report (ARER) which is submitted by County Mental Health Plans (usually, the County Behavioral Health Department) to the Department of Health Care Services and the MHSOAC. This document is made available to the public through the Fiscal Reporting tool created by the MHSOAC to support fiscal transparency. The Fiscal Reporting tool is based on the data submitted by counties through Annual Revenue and Expenditure Reports.

Annual Revenue and Expenditure Reports can also be downloaded from the <u>DHCS website</u> (http://www.dhcs.ca.gov/services/MH/Pages/Annual-Revenue-and-Expenditure-Reports-by-County.aspx)

The following report provides annual point-in-time estimates (similar to a checkbook balance) of County MHSA revenues received and expended for each component of the MHSA, as well as end of year closing balances. The reports are intended to represent a snapshot of County MHSA financial information as of June 30th, the last day of each fiscal year. Counties emphasize that the ARER reports are difficult to tie to their official, audited financial statements and should be interpreted with caution.

Financial summaries presented in this report are broken down by the following MHSA components:

- Community Services and Supports (CSS)
- Prevention and Early Intervention (PEI)
- Innovation (INN)
- Workforce Education & Training (WET)
- Capital Facility & Technological Needs (CFTN)
- Other MHSA components

Annual Mental Health Services Act Revenue and Expenditure Report FY 2012-13

END NOTES:

¹ Total unspent funds from prior fiscal years MUST match the Total Unspent Funds in the Local MHS Fund from prior year RER.

² DHCS will utilize the allocation report provided by the SCO and counties should utilize the same report when reporting MHSA revenue. The report is available at: http://www.sco.ca.gov/ard_payments_mentalhealthservicefund.html

³ Expenditure funding sources for each component must equal the total program expenditures as reported on the Component Summary Worksheets.

⁴ WIC Section 5892(b) permits a County to use up to 20 percent of the average amount of funds allocated to the county for the previous five years to fund technological needs and capital facilities, human resource needs, and a prudent reserve. The amount of funds transferred from CSS will be reported in the CSS column as a negative amount. The funds transferred into WET, CFTN, or Prudent Reserve should be reflected as a positive amount. For each year reported, the amount transferred from CSS should equal zero when added to the funds transferred into WET, CFTN, or Prudent Reserve.

⁵ Payments from the MHSA Fund should be reflected in the Adjustments section as a negative amount. Receipts into the MHSA Fund should be reflected in the Adjustments section as a positive amount.

⁶ Total Unspent in the Local MHS Fund will auto populate for each Fiscal Year.

⁷ The FFP amount represents the estimated FFP revenue generated in FY 2012-13 and attributable to MHSA funds.
