COMMUNICATING DATA AND MEASURING OUTCOMES

ORANGE COUNTY DATA DASHBOARD

Orange County

Orange County recently put in place a new data dashboard featuring information on deaths by suicide created for the purpose of raising community awareness and strategic planning of county wide suicide prevention efforts. The interactive dashboard allows users to filter suicide related data over time by age, gender, race, method of suicide and place of death. The information is sourced through the California Comprehensive Death File, is updated monthly, and includes demographics, geography and means of suicide.

Orange County Call Volume Trends (Jan-01-'01 to Jan-01-'24)

Orange County Suicides Means of Death (Jan-01-'01 to Jan-01-'24)
